

MICKNICS

Curated Event Styling & Experiences

Celebrations that feel elevated yet deeply personal.

THE EXPERIENCE

Every MickNics event begins with a vision—yours.

Our collection is designed with flexibility in mind. Pieces may be selected individually to complement an existing design, or layered together to create a fully styled, cohesive setting. Each item has been chosen not only for its beauty, but for how effortlessly it pairs with others.

For those seeking a more immersive experience, our full-service styling allows you to step back while we bring your vision to life.

Using pieces from our collection, we transform spaces into layered, visually striking environments—where every placement feels intentional and every detail contributes to the overall experience.

The result is a setting that feels effortless, elevated, and entirely your own.

Please Note: Our inventory is offered in limited quantities and secured on a first-reserved basis. Availability is confirmed at the time of booking, ensuring each event remains uniquely curated.

All rentals are for the duration of your event, typically up to 12 hours, unless otherwise discussed. Extended rental periods may be accommodated upon request.

2. Do you offer delivery, setup, and breakdown?

Yes. Delivery, setup, and breakdown services are available to ensure a seamless experience. Pricing varies based on location, event size, and scope of services.

3. Can I rent items individually, or do I need a full package?

Our inventory is available both individually and as part of a fully styled package. Whether you need a few key pieces or complete event styling, we're happy to accommodate your needs.

All inventory is offered in limited quantities and is secured on a first-reserved basis. Availability is confirmed once your booking is finalized.

RENTAL FAQ CONT.

6. When is my date officially secured?

Your event date is secured once your signed agreement and retainer have been received. Until then, items remain available for other inquiries.

7. Can items be customized or styled to match my event?

Yes. Many of our pieces can be styled and customized to align with your vision. We're happy to collaborate on design direction, color palettes, and overall aesthetic.

8. What happens if an item is damaged or lost?

Clients are responsible for the care of all rented items during the rental period. Any damaged or missing items may incur a replacement fee, outlined in your agreement.

9. Do you travel outside of your primary service area?

Yes. We serve the DMV area and surrounding regions, including Pennsylvania and Delaware. Travel fees may apply depending on distance.

10. What is the next step if I'm ready to book?

Simply reach out through our website or contact information to begin the process. From there, we'll confirm availability, discuss your needs, and guide you through booking.
